- 4 Call us at **+34623049308**

ACCIDENT REPORT FORM

The form is used to record the accident details and send them to the insurance company. Signing it does not imply an admission of guilt, but rather serves to inform the insurance provider.

- 1 Complete it together with the other driver.
- 2 Record personal details, license plate number, and insurance information.
- 3 Indicate how the accident occurred.
- 4 Make a brief sketch of the scene.
- 5 Both parties must sign.
- 6 Please send us a photo by scanning the QR code on the back
